

Integrating Nitrogen Footprints across Scales from Institution to Watershed

Elizabeth Castner *University of Virginia*
Allison Leach *University of New Hampshire*
Beth McGee *Chesapeake Bay Foundation*
James Galloway *University of Virginia*

Bay Nitrogen Footprint

Goals:

1. Education
2. Individual action

Transportation

14 kg N
Per person
Per year

Land

Food

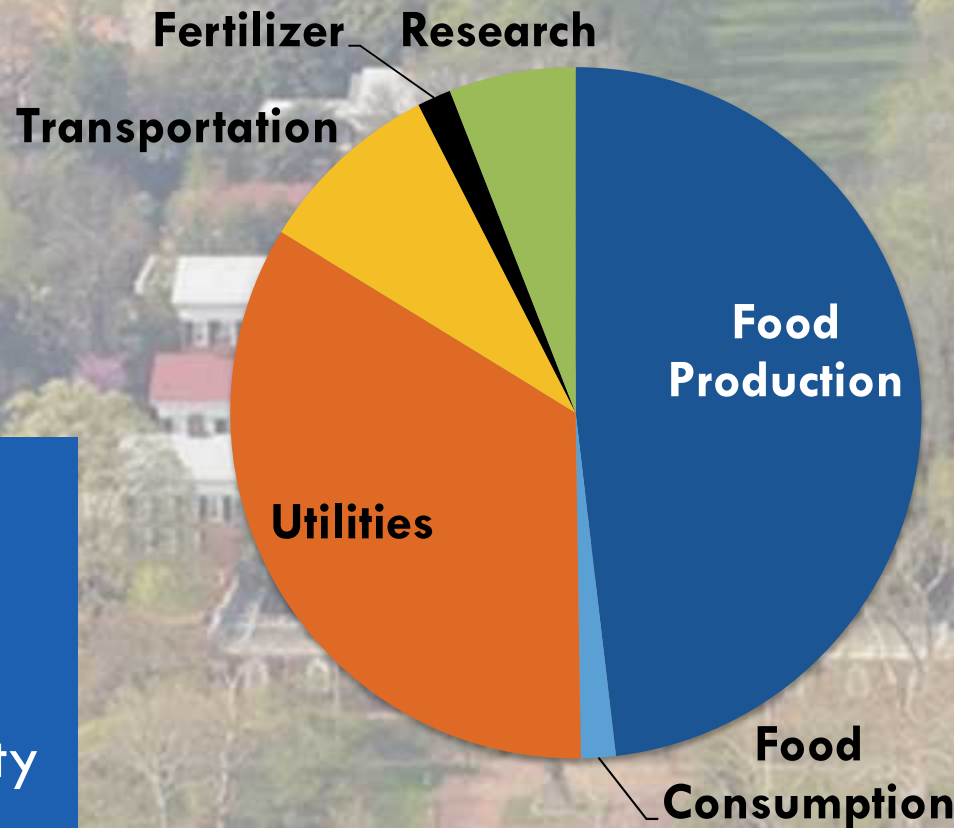

Home

Sewage

CHESAPEAKE BAY FOUNDATION
Saving a National Treasure

Institution Nitrogen Footprint Tool

157 MT N
Per institution
Per year

11 kg N
Per capita

Goals:

1. Education
2. Research
3. Sustainability
